

Short CV: Jeroen Knol

Dr. ir. Jeroen Knol is Director of the European Federation of Food Science and Technology (EFFoST). Editor in Chief of the online SME magazine Taste of Science. He received an MSc degree in 2004 and a PhD degree in 2008 in Food Science at Wageningen University, the Netherlands. From 2008 till 2013 he worked for Wageningen UR Food & Biobased Research successively as product developer, business development manager and senior scientist in food design and structuring. He has coordinated different multi-disciplinary projects (national, EU and international) on food reformulation, sustainable foods, novel processing technologies and product development. Since 2013 he coordinates the activities of EFFoST in EU projects and is currently workpackage leader in 5 EU projects (TRADEIT, MUSE-Tech, FieldFOOD, INNO-4-AGRIFOOD and KATANA).
