Dear Colleagues,

on behalf of the Organising Committee we are happy to announce the 4th International ISEKI_Food Conference, which will be held in Vienna, Austria, from 6 – 8 July 2016.

After the great achievements of the 1st, 2nd and 3rd International ISEKI_Food Conferences in Oporto 2009, Milan 2011 and Athens 2014, we have the pleasure to invite you to meet us in Vienna next year. The conference will bring together food scientists from research and industry, technologists, students, and the wider community, to discuss and collaborate on specific topics relevant to Food Science and Technology, Industry and Education, under the topics:

- **Education and Training in the Food sector:** trends and developments
- **Food Technology:** process innovation and novel food functionalities
- **Food Quality and Safety:** new developments
- **Food by-products:** reduction and utilisation
- **Nutrition:** trends and impact of food technology
- **Responsible Research and Innovation:** challenges and practices in the food supply chain

Involving organised speaker sessions, poster presentations and exhibitions, the conference will also offer two pre-conference workshops on the following topics:

- **2nd ISEKI_Food PhD Workshop "Recent Research in the Field of Food Science and Technology"**
- **Food Waste Recovery Workshop "Recovery of valuable compounds from food processing by-products"**

We are expecting up to 300 participants from the food sector, coming from all over the world, mainly university teachers, students and people from food research and food industry as well.

We would like to invite you to participate actively at this event by participating in our **sponsorship programme**. The main areas of support you might like to consider are:

- **To present your company to an international audience by taking a table top or bring your own exhibition booth**
- **To sponsor this important event either financially or with products**
- **To support awards for young scientists and PhD students or other kind of awards (e.g. planned poster competition)**

You can find several attractive sponsorship options in the attached sponsorship form or on the website <http://www.isekiconferences.com/vienna2016/>. Your early decision to be involved in the ISEKI Conference will increase the promotion of your company.

For questions or suggestions, please contact the conference secretariat: office@iseki-food.net

We look forward to welcoming you in Vienna!

Yours sincerely,

The Organising Committee
